DISTRICT GOVERNOR'S MESSAGE

Dear Lions, Lioness, and Leo's:

Spring is here!. Everything is finally turning green, flowers are beginning to bloom, and all we want to do is get out and enjoy the weather. What better way than to complete our International President Sid Scruggs's final "Global Service Action Campaign" challenge, **Protecting our Planet**. How about having all of the clubs in the district implement a project that improves and protects our environment on planet Earth? Clubs could organize a highway clean up, perform a recycling project, or maybe plant a tree in honor of a dedicated active club member, or one who has passed away. What a great symbol of Lionism – deep roots (we are nearly 100 years old), strong trunk (45,000 clubs world wide), and the branches that provide shade and protection (our reaching out to others while "we serve").

Remember that **April 16** is our annual district convention at the Yorktown Hotel in downtown York. This convention is going to be different from any other! As one of my goals for the year I wanted to be able to offer leadership training opportunities to our future club and potential district officers. I encourage all clubs to pay the \$7.00 registration fee and send their incoming presidents and secretaries to this convention. We are also offering the opportunity for clubs to step into the 21st century by showing them how to create their own websites. Imagine what an opportunity, at the end of the day, to be able to have a tool that provides for your club to be accessible to the world and show them what great works of charity the Lions of District 14-C are doing. I promise you there will be something of interest for everyone! So come out and spend the day with your fellow Lions!

To date I have completed forty-nine official visitations and I cannot express how thankful I am for all of the wonderful hospitality that has been extended to me. It is truly overwhelming to hear first hand of all of the projects, man-hours, and service the Lions of District 14-C provide. I want to thank all of you, for this opportunity of serve as your governor. It is an experience I'll never forget. We are all so fortunate to belong to such a great organization and we should be proud of our accomplishments. Thank you for supporting my Governor's projects, without your hard work, support and dedication, my personal projects could not be funded.

We must remain persistent in our quest to find new members. Why do we want to keep this organization a secret? Don't be afraid to ask your friends, family and co-workers to come and experience that "Lion Moment". You know that feeling you had when you realized you had joined the right organization and all for the right reasons. We are the world's number one humanitarian organization. In these difficult economic times, we must remain being Beacons of Hope to our less fortunate neighbors. The more hands we have, the easier it is to complete our missions. I challenge each club throughout the District to keep hosting "open houses". As I have stated before, my membership goal for the year is a simple one...**as a District let's just be a plus one for the year!** Although we are fortunate to have welcomed in **75 new members** this

(continued)

year we have dropped over 116, leaving us down 41 for the year. In the next three months I challenge all of you as we are outside enjoying the spring weather and performing a service project or fund raiser, to ask a friend or neighbor to come along and offer them the opportunity to "Hear the Roar". Why not have your club work on being plus one, two or three in membership? we don't know which club will be the one that puts us over the top!

Lastly, as we are in the process of completing our slate of officers for the coming Lion year (2011-2012), I beg all secretaries to please get your **PU-101** forms filled out as soon as possible! They can be completed on line or mailed in to International. With your help, you can make incoming Governor Shirley's task to complete her district directory, a little easier.

Remember last of all, Lions, Lioness, and Leos, continue to have fun throughout the remainder of this year, I know I am going to!

Yours in Lionism,

DG Denny

PID HAROLD OTT'S CAMPAIGN ENDS

I need to report sad news to all within District 14-C. Due to a recent health concern our Candidate for 2nd Vice President of Lions International has withdrawn his name from further consideration. A letter which better explains the situation is included in this newsletter. We all were shocked by the announcement, but need to move on with our quest "To Serve. All monies donated to the campaign will be returned. There will now be no dues assessment on the ballot at the state convention, and the State Board also voted to send the state band to Seattle. If you have any questions, please do not hesitate to contact me.

Remember to keep Harold and Barbara in our prayers.

DG Denny

VICE DISTRICT GOVERNOR'S MESSAGE

Dear Lions, Lionesses and Leos,

Spring is here. April showers bring more beautiful flowers and warmer days. Yes, even days to go out and swing those long handled clubs and enjoy the outdoors!

Arrival of spring means a lot of work getting ready for the next Lions year. I am currently working on the directory. By April 1, a letter will go out to each club president asking for ads to be placed in the directory to offset the cost of printing. Selection of a District Cabinet and Project Chairpersons for next year is also taking place. A special Thank You to all the dedicated Lions who have served in the past and in some cases have agreed to serve again and to those "new faces" who have agreed to serve next year. The Club Visitation schedule is being finalized, and a letter will be sent to all club secretaries on June 1 to confirm the visitation dates.

April means elections are taking place throughout the district. Club secretaries; please submit your 2011-2012 Club Officers Report (PU101) by May 15. This can be done online or by mail to Lions Clubs International. Also, send a copy to me by May 15, so that the names of the presidents and secretaries can be included in the new directory.

(continued)

At the last cabinet meeting, DG Dennis announced the formation of the Global Membership Team and the Global Leadership Team, which will replace the MERL program. The teams will be responsible to the District Governor, Vice District Governor and the District Cabinet as well as the Multiple District Teams in coordination of efforts. Individuals are being asked to serve on the respective teams, and if there is anyone who would like to volunteer to serve, please contact me.

Attending Zone Socials has given me meaningful experiences. Each and every club needs to be commended for the outstanding work being done in our communities. The winter blues certainly did not have an effect on the efforts of the clubs throughout the district. KEEP UP THE GOOD WORK! Congratulations to the Jacksonville Lions Club on the celebration of fifty years in Lionism. A fun evening!

Have you registered for the District Convention on April 16 at the Yorktowne Hotel? If not, there is still time to do so. Don't miss out on an informative and fun day, followed by dinner in the OFFCENTER Restaurant with our keynote speaker and his partner in service from Hawaii.

Our thoughts and prayers go out to PID Dr. Harold Ott for a speedy recovery from recent brain surgery.

Happy Easter to all and enjoy the lovely spring weather.

Yours in Lionism, VDG Shirley A. Starner

BEACON LODGE WORK WEEKEND

The annual District 14-C spring work weekend will be held on **APRIL 15, 16 and 17, 2011**. Come and join us for fellowship and contribute to your LIONS CAMP. The purpose of the activity is to ready the camp for the coming season.

Beacon Lodge will provide meals and lodging along with bedding for the weekend. All that you need to provide are work clothing, work gloves, washcloth and your personal items. Plan to arrive Friday evening, April 15 or by 6:00 am on Saturday. We will work until lunch on Sunday and leave for home after lunch.

As always, the accomplishment by this activity depends on the Lions willing to give their time and efforts. I encourage all Lions to participate in this important service activity.

It is very important that the staff at the camp know how many will be attending so that they can order sufficient food and prepare for accommodations. **They need to know the exact number to expect. Please call me by April 2, 2011.** Do not hesitate to contact me if you have questions. My phone number is 717-755-8237, and my email is poolcom142@netzero.net. **This weekend will be limited to the first 45 Lions who register.**

MESSAGE FROM PID HAROLD OTT

TO: Lions of Pennsylvania, Multiple District 14:

PID Harold wishes to express his deepest gratitude to the Lions of Pennsylvania for the support you have afforded him and his campaign for President of Lions Clubs International. It is with sadness that we must tell you, PID Harold has officially withdrawn his name as a candidate for that office. This was a profoundly difficult decision, but one he felt he needed to make on the advice of his doctors.

A short time ago, PID Harold went into the hospital for a routine CAT scan. To everyone's surprise, the scan revealed that he had a tumor on the right side of the brain just behind my ear. A few days later, doctors operated to remove the tumor. He is currently undergoing rehabilitation therapy, which--while slow--is progressing positively.

PID Harold and Lion Barb wish to thank all the Lions of Pennsylvania for their loyalty and friendship. The Lions in Pennsylvania are a great TEAM, working for a common goal, by practicing our motto "We Serve". PID Harold, as 2nd Vice President, would have served all the Lions of the world and would have worked to make our world better for our fellow man.

PID Harold enthusiastically looks forward to the day when he will be able to rejoin his fellow Lions in fellowship and community service. He will never be able to adequately thank you for the many and varied kinds of support from the Lions of Pennsylvania.

Please keep PID Harold and his wife Lion Barb in your thoughts and prayers; this will help toward his speedy recovery. He will be unable to receive any phone calls for the immediate future but e-mails are welcome all the time even though he will not be able to respond immediately.

Get well wishes may be sent to: PID Harold Ott 1410 Estate Dr.Boalsburg, Pa. 16827

PA Lions Beacon Lodge Needs Your Help

Beacon Lodge, along with many other organizations in Pennsylvania, has lost its State Appropriation because of budget cuts. For the Camp it means a loss of \$120,000.00 in income this year. Lions and Lioness Clubs across the state are being asked to donate \$200.00 above the amount they usually donate for camperships to help cover the loss.

Also, it is time for Clubs to send in their payment to become a member of the "500 Club". Cost is \$5.00 per member for a year. In addition, if some of your members want to become Life members, there is a onetime cost of \$100.00 per member. This is also an excellent way for a club to recognize one or more of its outstanding members. All of these donations help with the general maintenance of the Camp.

LCIF REPORT – MARCH, 2011

In the case of disasters, we Lions are often the first to respond, and continue to provide for as long as it takes until all work is done. Lions Clubs International Foundation and Lions are providing relief in devastated Japan. The Tohoku Region Earthquake is the worst earthquake to hit Japan in over 100 years, and this earthquake has triggered a powerful tsunami throughout the Pacific Ocean. Japanese media said hundreds of people were dead and hundreds more missing. This quake struck about 230 miles from Tokyo. In Sendai 60,000 to 70,000 people are being evacuated to shelters in the area.

Lions Clubs International Foundation is providing over US\$ 1.25 million, or 100 million Japanese Yen, for immediate relief. This includes major catastrophe and emergency grant funds as well as designated donations from Lions around the world. The Foundation has also established a designated fund for Lions to directly support this disaster. LCIF is also monitoring the impact to other Pacific Ocean nations.

Lions in Japan are coordinating their relief efforts through LionNet Japan and are using the Japan Lions Office as emergency relief headquarters. Lions from around the world can donate online via a credit card or by direct mail. A direct mail check can be sent to LCIF, 300 W. 22nd Street, Oak Brook, IL 60523.

On a happier note, District 14-C has donated \$22,639.68 to LCIF as of February 28, 2011. This is wonderful, and I am sure this amount will grow with over 3 months remaining in the Lions year. THANK YOU to the Lions of 14-C for making this a very productive year and supporting our Foundation. There have been several MJFs presented this year, with many more to come. Again, thank you Lions.

I am also happy to report that all of the District's Bronze Contributing Member Pins have been sold. This will contribute to an increase in our total donations as these monies were mailed in after March 1. In addition to this, we have been doing a raffle basket at each Cabinet meeting, and with the District Convention coming up next month, District 14-C could raise an additional \$500. This money will be sent to LCIF and recorded as a District donation. Again a big thank you to the Lions of District 14-C. You are making me proud of all you do.

Respectfully submitted,

Gordon E. Sinclair, PDG, LCIF Coordinator

OFFICIAL MINUTES OF THE FEBRUARY 19TH, 2011 CABINET MEETING HELD AT THE YORK SPRINGS FIRE HALL

DG Dennis Bell called the meeting to order at 10:00 A.M. with singing of one verse of America, Pledge to the Flag, and the Invocation by Lion Rev. Edmond Miller.

There were 87 in attendance: 65 Lions, 6 Lioness, 16 PDGS, and 0 guests.

DG Dennis established protocol at this time.

DG Dennis remarks: DG Dennis extended his thanks and appreciation to all the clubs in District 14-C for the hospitality that they have shown him this year. Its been a very good year. On membership: there are 10 clubs on the positive side, 20 clubs that are maintaining their membership, and unfortunately the rest are losing members.

He had a very simple goal for this year, add one new member per club. There is still time for clubs to meet that goal. The District Convention will be held in April, the State Convention in May. There will be a resolution on the ballet at the state convention for the Lions to vote on. It will be a temporary dues for only 4 years, of \$1.00 per member to take effect on July 11, 2011 and go to June 30th, 2015. This temporary dues is to help with the cost of the future Vice President of LCI.

DG Dennis asked for a motion to accept the November Cabinet Meeting Minutes.

Zone Chair Ed Gillman made a motion, Zone Chair Peck Freeland seconded, motion carried.

PDG Dean Smeltzer gave the treasurers report: Administrative income was \$14,605.44 and expenses were \$3,825.54 which gave a total income of \$10,779.90.

In the project accounts the total was \$45,678.54. Zone Chair Jim Boswell made a motion to accept the treasurer's report as read, Zone Chair Noah Krout seconded, motion carried.

PDG John Parker reported the District Convention will be April 16th, 2011 at the Yorktowne Hotel. The February Newsletter had the registration form and an outline as to what is lined up for the convention. There will

be three seminars in the morning. There will be a guest program, a luncheon and a Necrology service. In the upcoming newsletter there will be a schedule of events for the day.

DG Dennis reminded everyone that he still has some district pins. They are 2 for \$5.00. He also has district directories. If anyone wants one they are to let him know.

VDG Shirley reported she is working on a few things for next year, some special things that are dear to her heart that we will be hearing about later on. There are changes coming down from LCI which we will have to implement within our district, state, and the world; they have to do with Membership and Leadership. We will be hearing more about this in the future. She stated that she is working on her cabinet for next year and she still needs to fill some positions. She is also looking for people to step forward to take a leadership role.

PDG Gordon called for nominations for District Governor from the floor. Being none, Zone Chair Jim Boswell made a motion to close the nominations, PDG George seconded, motion carried. Calling for nominations from the floor for 1st Vice District Governor, PDG Gordon reported that Zone Chair Noah Krout would step up to serve as 1st Vice District Governor.
