District 14 – C

Issue – October, 2011

MESSAGE FROM THE DISTRICT GOVERNOR

Dear Lions, Lionesses and Leos,

Our journey this past month has experienced some ups and downs to say the least. An earthquake, a hurricane named Irene, and a tropical storm named Lee. Much of the district particularly along the Susquehanna River and all feeding streams experienced major flooding, resulting in many counties being declared a disaster area by President Obama. Our hearts go out to each and everyone affected by the storms and flooding. I applied for Emergency Grant Funds from LCIF and have received approval for up to \$10,000, to be used within our district. In addition, I have appointed PDG Gordon Sinclair (District LCIF Coordinator) to oversee the administration and distribution of the funds. Assisting him will be IPDG Dennis Bell and PDG/PCC Gus Fridenvalds.

The second State Council Meeting will occur on October 28-30 at the Holiday Inn, Harrisburg-Hershey. This meeting is being hosted by District 14-C. It would be awesome to see a large group from the District attending the council meeting on Saturday October 29th. It truly is a learning experience and much fun and fellowship will take place. Plan to drive up to Grantville.

There is still time to participate in the other district activities planned for this month. If not registered for the Diabetes Awareness Walk on October 2nd or October 23rd, contact Tom Klunk e-mail knulk_st@comcast.net. Registration is encouraged for safety purposes. I would suggest that those clubs who have decided to forego the walk consider contributing additional funds to Diabetes Awareness.

The "Oktoberfest" will be a night of fun and fellowship. Tickets are still available. Contact 1st VDG Noah for reservations. He and Becky have been working very hard on this festivity. Please support them, the district and Beacon Lodge.

101 trees have been planted throughout the district. The Lions who attended the first Cabinet Meeting were all given one tree to take home and plant. What plan has your club made? As a district we need to support International President Dr. Tam's goal for the year 2011-2012. Please include the number of trees planted each month in the district and international reports. Take pictures and submit them to the local newspapers and to the District newsletter Editor. Let's see if we can surpass the 1500 number. Yes, I added an extra zero to my original pledge. We can do this! Think positive.

I BELIEVE in Service and Lionism,
DG Shirley A. Starner

MESSAGE FROM THE FIRST VICE DISTRICT GOVERNOR

Greetings,

Lions, Lionesses, and Leos of District 14-C, feel that crisp fall air which makes you feel vibrant and want to get out and do a project. Remember, "We make a living by what we get; *a life* by what we give" and that is the nature of Lions. We give because **We Serve** our communities. The next time you ask a prospective member to join the Lions point out a signature project that benefits the community. It could be a pavilion that serves the community, Christmas toys for children, decorating the community, giving baskets to shut-ins and the needy, serving the scouts etc. Sometimes we just need to point things out how Lions **serve** the local area.

Wow, I just returned from visiting Leader Dog for the Blind, what an experience. I wish all Lions had the opportunity to see how the facility is run and I was impressed with their fiscal responsibility. The LDB has changed the lives of thousands of people to become independent either by being employed, travel, or just take a leisurely walk downtown.

Every day LBD is working to identify technological advances that may prove to be beneficial to their clients. One such device is the Kapton Plus. The device is the size of a deck of cards and acts as a GPS with voice recognition. Ask it the time, your location, nearest hotel or restaurant it will tell you.

Remember the **WALK TO STOP DIABETES** October 2nd. And 23rd. Join my electric scooter and me as we **roar** our way across the bridge to knock out diabetes with a right punch.

Do you want to have some fun and celebrate the German Heritage of this area? Remember to purchase your tickets for the **OKTOBERFEST** on October 15, see details below. *If your club would be interested in reserving a table please give me a call.* Guaranteed to be a fun social evening for all in attendance.

I am planning on visiting several clubs this year if your club is interested in a visit by your VDG please contact me at 717-225-4892 or at kroutdeere@comcast.net.

Yours in Lionism,

First Vice District Governor

Noah E. Krout

QUOTE OF THE MONTH

OCTOBER STATE COUNCIL

As you saw in the August newsletter, District 14-C is the host for the October State Council Meeting to be held at the Holiday Inn at Grantville, PA. The meeting dates are October 28-30, 2011. The Lions of Pennsylvania have centralized the October meeting to help defray expenses. We received a good 5 year contract at the Holiday Inn and therefore will hold our next four meetings there. Last year was our first year.

The District finances this project through a Basket Raffle held at the Council Meeting. We are asking each club to sponsor a basket or perhaps some of the smaller clubs could support the cost of one-half of a basket. Each basket should have a value of \$50. The ten Zone Chairpersons have been asked to help with this part of our Council weekend. Please give them your support to make this weekend a success. Because of its close proximity to our District, this is a great opportunity to attend a Council Meeting, even if only one day.

Clubs can prepare their own baskets or the coordinators of this project will make up the baskets. The Coordinators are PDG Larry and Louanna Bare, and if the club wishes them to prepare the basket, simply write a check to Larry Bare and mail to 605 Hammond Road, York, PA 17406. Please support our District as we host this Council Meeting. Submitted by PDG Gordon Sinclair.

DISTRICT 14C LIONS CLUB WEB SITES

LION THOMAS JONES "STEPS-UP"

Hello DG Shirley,

I would like to offer my assistance with your goal of getting all of the clubs within our district on the web.

I would volunteer to initiate the process or fully setup a site for those clubs that want to have a website but do not know how to get started or do not have computer access.

For those clubs that have someone willing to manage their club website I will get them rolling by starting the initial request process on the e-clubhouse site and then run a personal online training for one or more people in the club on how to setup and maintain the site. Each training session will be geared to the club I am working with and can be scheduled at their convenience and my availability.

For those clubs who do not have computer access, they can send me their information they would like to see on the club website vial mail and I will take care of requesting, designing and maintaining the site for them until they get someone who is willing to take over their club's site.

For clubs without internet access they can send information about their club to:

Lion Thomas Jones
114 Charles Avenue
Stewartstown, PA 17363

Also I can be reached via phone at 717-578-5915 to discuss this with you or any interested clubs.

This is just my way of saying thank you to you for your service as our District Governor and to my fellow District 14-C lions who serve with pride.

Thanks, and hope you have a great year!

Lion Thomas C Jones
Secretary

CALL FOR INTERNATIONAL DIRECTOR CANDIDATES

At the State Council Meeting held in Harrisburg, PA on August 6th, 2011, the State Council of Governors took action to endorse a candidate for International Director at the 2012 International Convention in Busan, Korea. This candidate would be an advocate for Pennsylvania and Lionism on the International level. State Council is requesting all eligible districts with no less than 1250 members and 35 Lions Clubs to consider endorsing a candidate for this high office. (District 14-C qualifies but cannot nominate a candidate because the district will be hosting the State Convention in May 2012)

A candidate must meet the requirements for International Director as outlined in the Lions Clubs International Constitution & By-laws. "A candidate for the office of International Director shall:

- a. Be an active Member in good standing of a Lions Club in good standing.
- b. Have completed or be completing a full term or major portion thereof as district governor of a full district of this association
- c. Secure the endorsement of a convention of his/her district. Provided, that the convention of the sub-district shall be eligible to endorse a candidate
- d. Secure the certification of endorsement of his/her district (sub and multiple) in accordance with the by-laws or constitution."

Interested candidates should send their resumes along with the endorsements of their club and district to the State Office no later than January 20, 2012. All qualified candidates should contact their district governor or the PA Lions State Office for further information. (Email palions@comcast.net; telephone: 717 564-2586).

Lions Clubs International Newsletter

Wing-Kun Tam, International President

September 2011

My Fellow Lions,

Just two short months ago, I stood on a stage in Seattle, Washington as your new international president, and I asked you to believe in yourselves - to believe in our mission of service to others, and to believe that together we could accomplish anything we set out to accomplish. That included planting 1 million trees. I told you if we can plant a million trees, it will reinforce the limitless potential we all know we have to make a difference as Lions. When I asked "do you believe it" the Lions present that day responded with a resounding "yes."

Lions - I am proud to announce that in just the first 60 days, we have surpassed our ambitious goal of planting 1 million trees. As of September 7th, the Lions of the world have planted over 1.3 million trees!!

But we aren't done yet! I believe we can continue the momentum we have already put in motion. Any of us can plant a tree. It's a very visible and hands-on way for each and every Lion to make a difference. It's also a great project to invite your community at-large to join your local Lions club in a collaborative effort. So make tree-planting part of your club or district activities this year, and invite your neighbors, friends and members of the community to join you. What better way to be reminded of our gift of service than to watch the trees you have planted grow year-by-year? We will continue to report the number of trees being planted on this Web site. Tree planting and the care and nurturing of our environment remains a cornerstone of my presidential theme.

There is so much more to accomplish. With care, the trees we have already planted, and will continue to plant throughout the year, will grow and benefit generations to come. New and current Lions members, nurtured in a family friendly club atmosphere, will benefit the world immeasurably.

Again - thank you and congratulations on surpassing our first goal of planting 1 million trees.

For more on this and other stories, visit [Success Stories](#). For a list of helpful resources in your area, visit the [contacts](#) page in the Million Tree Planting section.

Remember that district governors who achieve at least 50 percent participation in the tree planting campaign qualify for the [Believers Award](#). The top 100 clubs in each constitutional area which plant the most trees will also receive a Believers Award.

I believe we can attain each and every goal outlined in my presidential theme [brochure](#). Lions - do you believe it?

Sincerely,
Wing-Kun Tam
International President

Peace Poster Contest

"Children Know Peace" is the theme for this year's Lions International Peace Poster Contest. The 20-year old annual competition encourages young people worldwide to visually express their visions of peace. With as many as 350,000 young people participating each year, the contest is one of Lions Clubs International's largest and most recognizable programs.

Clubs wishing to sponsor a Peace Poster Contest in their communities must [purchase a Peace Poster Contest kit](#) from [Club Supplies](#). Kits are available through October 1.

Find out more about the [Peace Poster Contest](#) on the LCI web site.

Global Membership Team and Global Leadership Team

Since July, the Global Membership Team (GMT) and the newly created Global Leadership Team (GLT) have been working side-by-side for club success. Each has a separate but parallel structure at the global, multiple district and district levels. District GMT and GLT coordinators have been appointed by the district governor teams.

GMT coordinators help identify district and club community service opportunities, assist in setting membership goals, identify and aid struggling clubs.

GLT coordinators identify future leaders, and provide training to club officers and members.

The GMT coordinators and zone chairpersons identify candidates (clubs) for the [Club Excellence Process \(CEP\)](#). This program helps clubs examine community needs, analyze membership experiences, identify and train future leaders and develop action plans. Once a club is willing to participate the GLT D coordinator will assign a facilitator/"coach."

For more information on the GMT and GLT visit [Global Membership Team Overview](#).

Global Service Action Campaigns

Engaging Our Youth

Clubs around the world have begun reporting their participation in the August [Engaging Our Youth](#) global service action campaign, contributing numerous volunteer hours. Please use the [Service Activity Report](#) to report your club's participation and be included in the global impact of this campaign.

Sharing the Vision

Less than a month remains to make plans for [Sharing the Vision](#), the year's second Global Service Action Campaign.

Sight preservation and service to the vision impaired is one of Lions oldest, most important and most successful service initiatives. Despite our great success in the field, the need for our help still exists and is still urgent. Even in today's world, one person goes blind every five seconds.

Your club could:

- sponsor vision screenings;
- organize eyeglass collections, and
- volunteer at institutions that aid the visually impaired.

Your district and club's participation will reaffirm Lions commitment to this vital area of service.

Lions World Sight Day

Make plans now to mark [Lions World Sight Day](#) in October and join the [Sharing Our Vision Global Service Campaign](#). Lions are encouraged to plan a sight-related event, such as vision screenings, cataract surgeries or eyeglass distribution. The international event will be held on October 9 in Shenzhen, China, and will include the inauguration of a Lions low vision clinic and vision screenings for nearly 15,000 people.

Relief Following Disasters

Several areas of the United States experienced widespread flooding and damage following [Hurricane Irene](#). LCIF is providing grant funding to several states and Puerto Rico to assist in clean up efforts and provide needed goods to displaced families. Lions also continue to provide relief in other areas, including the [Horn of Africa](#), [Haiti](#), [New Zealand](#) and [Japan](#)

Dear Fellow Lion *President*,

You know, there are only two people in Lions Clubs International they call 'president' - the international president and the club president. That's right. You and me.

The club is the most important part of our association, so my emphasis this year is on you - the club and its members.

During my travels this year, I've been taking every opportunity to meet with club presidents in **Presidents-meet-the-President** seminars and meetings. I want to hear from you, understand your club's needs, and learn from your experiences. If we cannot meet in person, I've created a special email address for you to contact me:

pres2pres@lionsclubs.org.

I've also given enough of my 2011-12 presidential pins to district governors so that each of you -- the Club Presidents -- can receive one from your district governor on my behalf. I wanted all club presidents to know that I consider you members of my own family.

My Story

I remember feeling excited and a bit anxious when I became a club president. I was this young guy, still starting out in life, taking over as president of a club that had been guided successfully by Lions who were at least twice my age. My mentor was the club's charter president who was 94-years-young when he wielded the gavel.

Friendship tied us together, having fun and enjoying our service made it a joy, not an obligation. It kept us coming back again and again.

For a successful year I encourage you to create a club atmosphere that fosters friendship and a sense of family, and incorporate fun with serving. The rest of it, from having meaningful meetings to running effective service projects, will take care of themselves.

My Club, My Family

It's simple but true: People join groups where they feel warmly welcomed, see other smiling faces, and are given a meaningful way to be involved.

It's easier than you think to create a family atmosphere in a club. Often it's simply a matter of doing the little things, like making sure new members are given an opportunity to bring new ideas and given a meaningful role in helping run a project.

I've created a guideline called [My Club, My Family](#) with some helpful tips and tools for creating a family atmosphere in a club. The rewards will be a stronger club that increases its community service and grows its membership. There's even a [My Club, My Family pocket guideline](#) for you and your fellow club officers to take to meetings and club events.

Share your success stories - as well as your challenges - on how you've created a family atmosphere. Join the conversation and post your thoughts on the LCI blog.

I BELIEVE

By now, you know my theme for 2011-12 is "[I BELIEVE](#)". If you truly believe you can do something to make a difference, you will do it.

When a massive earthquake in 2008 devastated Sichuan, China in my own country, despite the overwhelming chaos I believed I could do something to help - even if it meant helping just one victim. The Lions in my area believed they could help, too. And together with the support of LCIF and Lions worldwide, we went on to rebuild schools, clinics and even several entire villages. But nothing would have started, and nothing would have gotten done, had not we believed.

So I'm calling on all Lions this year to BELIEVE. Believe we can accomplish whatever we set out to do. You know, I BELIEVE we can do it. But do you? Let's work together to transform I BELIEVE into the power of WE BELIEVE. I believed we could plant 1 million trees this year, and we are off to a great start. Already nearly one thousand clubs have reported their actions, and [we have planted over 700,000 trees](#). Be sure to report your club's tree planting efforts. It's truly amazing what we can accomplish when we BELIEVE. With warm regards from your friend and your newest member of the family,
Wing-Kun Tam

LIONS COMMEMORATIVE COIN

A special campaign in recognition of our 100th Anniversary in 2017 is taking place on the International level. LCI wants to mint 400,000 silver dollars to commemorate our centennial. This legislative passage depends on securing 290 co-sponsors in the U.S. House of Representatives and 67 co-sponsors in the U. S. Senate. Lions of District 14-C please contact your federal lawmakers and ask them to co-sponsor the “Lions Clubs International Century of Service Commemorative Coin Act”. Go to the LCI website www.lionsclubs.org/coin/ which will take you to the appropriate page and follow the directions to contact the respective lawmakers. If the legislation is passed the coins will be available to purchase in 2017 from January through December.

STEWARTSTOWN FALL FEST 2011

The Stewartstown Lioness club and Stewartstown Lions club are co-hosting a Stewartstown Fall Festival with Hopewell Area Recreation and Parks on Saturday October 8th 2011. The day begins with breakfast being served at 7:00 at the Stewartstown Presbyterian church which is adjacent to the festival activities at the Stewartstown fair grounds. Then at 8:00 AM the festival opens and there will be plenty of arts, crafts, activities for children as well as plenty of great food. There is no admission fee to attend the event. Members of the Stewartstown Eureka Station 54 fire company will be there between 9:00 AM and 12:00 PM to give rides and show off the firefighting equipment to children of all ages. We will have live music as well as a dance performance. The festival is open until 4:00 PM. Numerous other community organizations are also participating in the event and we are excited to bring together other non-profit organizations in our community to run this event. More information about the event can be found on the website, <http://www.stfallfestival.com>. We can also be found on Facebook by visiting <http://www.facebook.com/groups/stfallfest/>

Then after the Festival how about an old fashioned crab feast at the Eureka Station 54 fire hall at 82 North Main street in Stewartstown. The volunteers of Station 54 who have graciously agreed to attend our event on the same day as their event to show their support for our community are running the event and have more information on their website for those interested in attending the Crab Feast. Their website is <http://www.eureka54.org>. The men and women of the Stewartstown Lions club and Stewartstown Lioness club hope you can attend the event and show the residents of the Stewartstown and surrounding communities how Lions are one big family.

2012 Pennsylvania Lions State Convention Gettysburg, PA. May 17th thru 20th

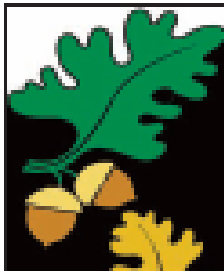

Attention Club Presidents. International President Dr. Wing-Kun Tam has announced that he would like a “Presidents-meet-the-President” meeting, when he visits the Pennsylvania Lions State Convention. This is your chance to meet Dr. Tam personally, and also complete your year as President with a memorable experience. Be sure to invite your 1st Vice President to come along for the excellent seminars and training for the incoming Presidents that is planned for the Convention on Friday and Saturday. Then hear Dr. Tam speak at the International Banquet on Saturday evening.

Attention Members. If you have never attended a Pennsylvania Lions State Convention, this would be a great place to start. There is Lots to do and see in historic Gettysburg. Plan on staying an extra day, or come a day or two early for a tour of the Battlefield and surrounding area. Ask other members of your Club to come along, especially “New Members”. Wherever Lions are, Lions have fun. We promise you that you will have a good time at our Convention and will return home with more friends and memories of a great Convention.

Our Convention Pin is pictured in the upper right corner. These pins will be available in September and will sell for \$3.00 each. We will have them available at the Council Meetings in November and February at our Convention table. We also have a white “Star” pin available for \$2.00. There will be one other pin available. A special version of the Convention pin will be available on the Convention registration form only. When you register for the Convention, you may order these pins.

When the registration forms come out in December or January, please fill it out and send it in with your payment. The reason for this is easy. Gettysburg College graduation is also the same weekend and after our deadline we cannot guarantee you a room.

See you in Gettysburg.
14-C, 2012 State Convention Committee,
Vice Chairman Larry Bare PDG
Chairman Larry L. Shaul PDG
